

JUMPSTART YOUR CAREER

Get certified in the construction trade with **FREE** courses!

Register today for a certification course in the building and deconstruction trades. All courses will be held at Evanston Rebuilding Warehouse.

OSHA 10 Construction Certification Course

This two-day course provides training in workplace safety: learn how to identify, predict, and stop potential hazards in the workplace.

DATES: July 22–23 or October 11–12

TIME: 8:30 a.m. – 2:30 p.m.

Maximum: 20 students

EPA RRP Certification Course

This one-day course provides training in lead renovation, repair and painting.

DATES: August 16 or October 19

TIME: 8:00 a.m. – 5:00 p.m.

Maximum: 18 students
